Viviane Brings a Part of France . . .

Viviane Rabadan is this year's foreign exchange student to Ritenour. She comes from Toulouse, France and is spending the year with the Beinke family.

Viv loves to play pool and talk on the telephone. She spends a lot of time typing letters and doing her typing homework. She is active in A.F.S. and student council and says she likes the people here in the United States. The big difference Viv found in the United States is the size of the country; France is much smaller.

to Ritenour

This past summer, Germany played host to Becky Spence, Ritenour's A.F.S. Representative. Becky's German family, the Reemtsmas lived in Gottingen.

Becky visited the town of Hannover-Munich where her German family used to live, a huge castle in the town of Goslar, and Bremen, Germany where she stayed with another German family, the Starks, before returning home.

Along with the Reemtsmas and the Starks, Becky shared many happy times that will never be forgotten.

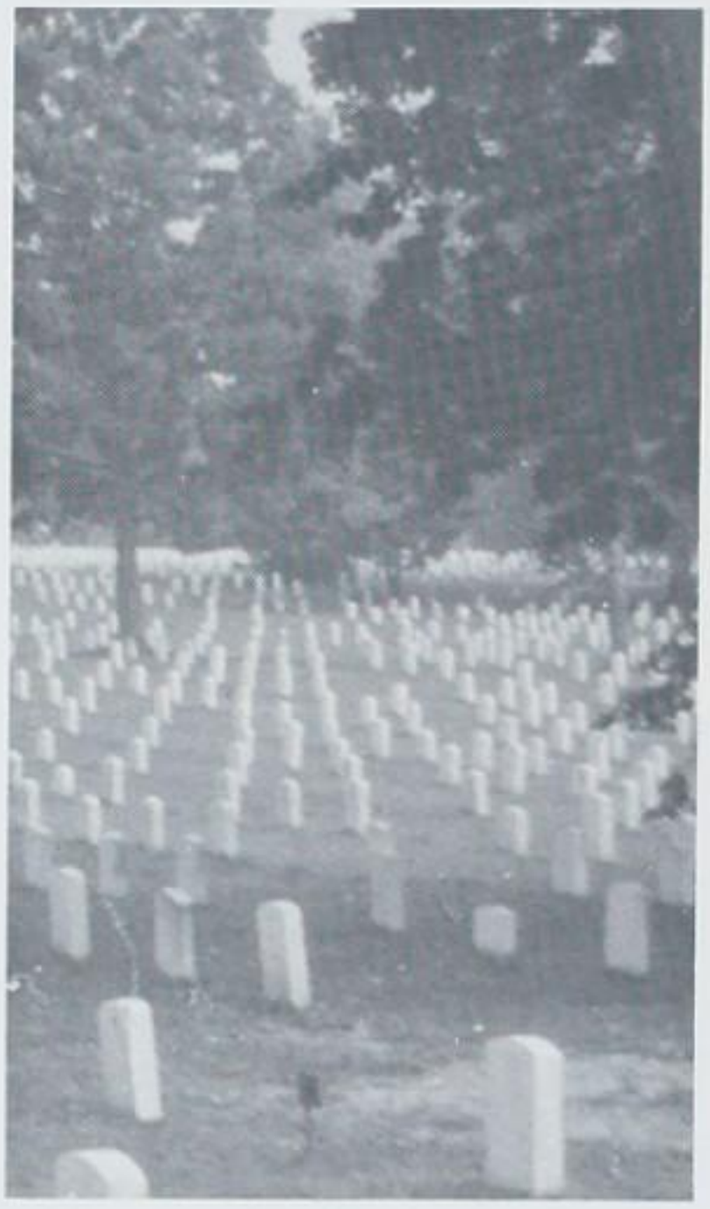
Washington Welcomes . . .

Ritenour Juniors And Seniors



New York, Washington D.C., Jamestown, and Williamsburg, Virginia were the stomping grounds of this year's junior-senior trip. Among the many sites were the Washington Monument, the Jefferson and Lincoln Memorials, and Arlington National Cemetery. A delay was caused when one of the two busses transporting the students to the motel, broke down. Although this slowed the arrival, it turned into one of the many lasting memories of a fulfilling trip.

Throughout this past year, the music department expanded its knowledge of music and shared its own talents by taking several trips throughout St. Louis City and County and the U. S. A trip early in the year was taken by the orchestra to Christ Church Cathedral in St. Louis City to see and hear the magnificent pipe organ that is housed in the church. Dr. Ronald Arnett demonstrated and explained the instrument.

The orchestra and stage band of Tulsa visited St. Louis and Ritenour and performed several concerts. Ritenour's orchestra and choir returned the visit by taking a trip to Tulsa, Oklahoma. After a 2:00 a.m. departure on May 6, the group arrived in Tulsa at 10:00 Monday morning and performed a concert that afternoon. There was a reception at Harwelden, a mansion used by the Tulsa Symphony Society. A concert was given Tuesday morning at the University of Tulsa and the long, eight hour bus ride was made home. Everyone arrived safe but extremely tired. The experiences throughout the year were well worth the effort.

S.C. Wins MASC Presidency At Sikeston Convention

The meeting place was the Sikeston High School.

Six Flags Over Mid-America Plays Host . . .

to Ritenour District At Picnic

Ritenour held its first district-wide picnic this year at Six Flags Amusement Park. The P.T.A.s throughout the district sponsored the event, sold tickets, and made bussing arrangements. The day was set aside to replace Senior Day and the individual grade-school picnics. May 31st was overcast and a little rain fell, but the day ended on a successful note and the Ritenourites went home satisfied, stuffed, and exhausted.

The Class of '74 Leaves Its Mark

As another year drew to a close, the Halls of Ritenour began filling with paper and added this year were marshmellows, crickets and water balloons. Seniors wrote their last wills and testaments in the final edition of Pepperbox and expressed their sadness and joy of leaving the old place. The year ended with the usual graduation practices and pranks and to say the least, all of this kept the faculty on their toes. As far as making history, and to not be very easily topped will be **class of 1974.**

Another year has passed. Each day brought with it a new meaning for each individual: joy, sadness, surprise, boredom. Like the closing of this book, this year is the end of a high school career for some, but for others it is only the pause between new experiences. It is your responsibility to create these experiences and it is your duty to perpetuate them. Only after you have exhausted all possibilities may you consider your job done.
